

Ranworth Medical Group

Evening and weekend appointments are available for Kennedy Way patients at Kennedy Way Medical Centre.

Appointments are available until 8pm on weekdays and between 9am and 5pm on Saturdays. Appointments can be made with Kennedy Way Surgery in the usual way.

You will be able to discuss your health concern with a GP, nurse or other health professional and also make routine appointments for health checks and screenings.

**Visit the NHS Suffolk and North East Essex website to learn more about the different health care professionals working in GP surgeries:
